SCCA Club Racing Experience (CRE) Supplemental Regulations

Introduction

This event will include on-track sessions under the new racing experience pilot program, CRE (SCCA Club Racing Experience), and will be run under the guidelines published by the SCCA Board of Directors in the January 2013 Fastrack. The intent of the program is to provide a SCCA Club Racing Experience to novice drivers in a safe and monitored environment. The guidelines are attached as a separate document labeled Appendix A of the Supplemental Regulations. Drivers wanting to enter this program will be expected to read and sign a copy of this Appendix. When the signed Appendix is presented to the Chief Steward, a Driver Log Book will be issued for the driver and maintained by the Chief Steward. The Driver Log Book will be used to record driver on-track performance and will be presented to the driver at the end of the event. The Chairman, Stewards of the Meet, will collect the signed copies of Appendix A and include them with the Observers' report.

Drivers in this program will be expected to follow the rules as specified in Chapter 6 of the General Competition Rules (Racing Rules and Procedures) while participating in the event. Technical inspection will be limited to just those items specifically addressed in Appendix A.

A Chief Steward for the SCCA Club Racing Experience sessions will be assigned by the Midwest Division's Chief Steward and in cooperation with the Region's representative, may modify the Schedule of Events, race group configurations and/or details related to this race group only. This program will be exempt from the usual Protest Process in place at SCCA Road Racing events.

Background

The following was approved by the BOD and published in the January 2013 Fastrack:

SCCA Club Racing Experience guidelines.

It is the intent of this category of event to be a low risk "racing experience" event that provides an instructional environment to experience and learn about wheel to wheel racing in an easy to access format. These events shall be run as a separate run group with an SCCA Club Racing or SCCA Time Trial event, or as a standalone event. Events may be sanctioned by SCCA Regions or Chapters on race tracks approved for SCCA Club Racing or SCCA Time Trials.

Participation is open to any SCCA regular or weekend member. Members must possess and are responsible for recording participation in a SCCA Club Racing Experience Participation Log. Logs may be issued by SCCA licensed Stewards or Registrars. Participants must certify they have no know medical conditions that would cause them or others undue risk.

Vehicles are intended to be production based vehicles with a performance level equal or less than normal in Club Racing classes Spec Miata or Improved Touring A. Spec Racer Fords may also be included. Vehicles that demonstrate performance higher than those levels may be excluded by the Chief Steward of the event.

SCCA Club Racing Experience (CRE) Supplemental Regulations

All vehicles must meet the safety and equipment requirements of GCR 9.3.except:

9.3.19 G, All driver restraint systems shall have been certified under one of the following: SFI specification 16.1, 16.5, or FIA specification 8853/98 or 8854/98 and be in good shape with no signs of wear or fading,

And 9.3.20.C the use of a head and neck restraint system that has been certified in accordance with SFI 38.1, FIA 8858-2002 or 88598-2010 is strongly recommended.

All vehicles must meet the safety and equipment requirements of GCR 9.4. "Roll cages for GT and Production based cars" or Appendix I, "2007 Cage Rules".

The Chief Steward may waive deviations of compliance requirements for a car for an event.

Officials required for an event are the Chief Steward, Safety Steward and Chief Instructor.

The Chief Steward and Safety Steward must have a current license as a Steward in either SCCA Club Racing or Time Trials. The Chief Instructor must have a Current Club Racing or Time Trial Competition License or equivalent experience.

On track behavior will be in the spirit of GCR section 6. Any participant found to be overaggressive or dangerous may be black flagged and counseled by the Chief Instructor or his designee or excluded from the event. At a minimum any participant being found at fault in an accident will be put on probation for a recommended 13 months. Any participant being found at fault in an accident while on probation will be excluded for further participation in these events for 13 months.

CLUB TRIAL (CT) ADDENDUM

Supplemental Regulations

14-CT-3360-S

This CT Addendum provides information specific to the CT segment of the event in addition to the information in the Supplemental Regulations.

The Club Trial is being held in conjunction with the St. Louis Region SCCA August 2-3 club racing weekend, and shall be conducted in accordance with the current SCCA General Competition Rules (GCR) and amendments, and current SCCA Time Trial Rules, except as modified by these Supplemental Regulations.

Time Trials Rules may be found on SCCA's web site at www.scca.com/club_racing/ -- click on Cars and Rules on left.

Time Trial Rules Organizational Info -

http://scca.cdn.racersites.com/prod/assets/2014_Time_Trials_Organizational_Rules.pdf

This Club Trial event is intended to provide a constructive learning environment stressing proper driving techniques, with same goals and requirements as PDX, but with lap times used as a teaching tool

SCHEDULE

The Schedule Page outlines the session times and order for the overall event. Note: the daily schedule is not a time-specific schedule. On-track sessions will run consecutively. PA announcements may be made calling each group to the grid, but be aware of where your sessions fall in the order of sessions.

7:00-11:00 – CT Tech (except during Driver Mtg)

8:15 am – CT Mandatory Driver Mtg (Media Center)

9:00 a.m. - CT practice/warmup

Late morning / before lunch – 20-min CT qualifying session

After lunch – two 20-min CT sessions interspersed between Regional races (after Group 2 race; after Group 4 race)

EVENT

1. The event takes place rain or shine. If there is excessive standing water on the track surface or inclement weather, and the Safety Steward has deemed conditions unsafe, the event may be canceled. See ENTRY/FEES section for refund policies.
2. The CT Drivers Meeting is MANDATORY for all participants. Instructors will be available and assigned at the driver meeting as needed. There may also be briefings with instructors after on-track sessions.
3. Grid will be first come, first served for the practice and qualifying sessions. For the afternoon sessions, grid will be fastest to slowest based on qualifying session lap times.

CT ELIGIBILITY

1. All CT drivers/entrants must be a SCCA regular or weekend member. Weekend memberships will be available at Registration.
2. Drivers must be at least 18 years old, and hold a valid "full privilege" drivers' license from their state of residence. Entrants must show proof of these requirements at registration.
3. Drivers eligible for this CT event shall include:
 - Drivers who have been signed off for participation in St. Louis Region SCCA Performance Driving Experience events at the "intermediate" or "advanced" levels.
 - Drivers able to show an equivalent level of previous high-speed track experience, with approval of the Chief Steward; or
 - Drivers holding a current SCCA competition license or novice permit, or a competition license issued by other SCCA-approved organizations per GCR 3.1.2 / Appendix C.

4. Entrants must present their Time Trials Participation Logbook (generally obtained at first event they attend) at the drivers meeting. Logbooks will be returned with any notations at the end of the event. Logbooks will be available at the event. Drivers/entrants who hold a current Time Trials Competition License or higher are not required to present TT Participation logbooks, so long as their SCCA membership and License are current

REGISTRATION / CREDENTIALS

1. Pre-registration is available online via www.motorsportreg.com, or by mailing entry to the Chief Registrar.
2. ALL participants, crew and guests must go through SCCA registration at the event location. Please do not confuse this with pre-registration online.
3. Once registered, each driver will be given a CT driver wristband or similar credential for CT participation. This credential must be presented on the grid in order for the driver to be allowed on course.
4. Once CT tech is closed for the event, no additional entries will be allowed without the Chief Steward's approval.

VEHICLE ELIGIBILITY

1. This event is open to closed-wheel vehicles that meet the SCCA Solo classing requirements. Please note that certain Mod and Prepared classes require increased safety equipment.
2. All vehicles must meet the minimum technical & safety standards of the SCCA Time Trials Rules. See links above.
3. All vehicles must go through Event Tech for inspection prior to entering the course. Event Tech will take place in the Gateway Motorsports Park tech area located at the north end of the garage building. Please arrive with enough time to spare to have your car and equipment inspected.
4. Tech Inspectors will distribute event tech stickers upon successful completion of Event Tech. Vehicles not displaying the event tech sticker will not be allowed on course.
5. Two (2) or three (3) digit car numbers will be allowed for CT entries. Car numbers must be displayed on all cars. Car numbers should be approximately 8 inches high, with sufficient contrast, stroke width and distance between numbers for readability by Timing & Scoring personnel in the tower. Please, no shoe polish numbers.
6. The CT Tech Chief reserves the right to conduct spot inspections in the paddock, on the grid, or in tech/impound

TRANSPONDERS

1. AMB transponders are highly recommended for all cars.
2. A maximum of 15 cars without transponders will be allowed to register. Once that limit is reached, additional cars must either be transponder equipped, or will be placed on a wait list.

GEAR / SAFETY EQUIPMENT

1. All CT drivers must wear long sleeves, long pants, and shoes which fully cover the foot at least to the ankle while on course. Leather shoes and 100% cotton clothing is recommended. Additional requirements may apply for certain classes – see the Time Trials Rules.
2. Helmets meeting the requirements of Time Trials Rules are required while on course. Helmets must be presented at Event Tech and receive a validation sticker. Drivers presenting to Grid without the appropriate sticker on their helmet will not be allowed to enter the course.
3. Fire retardant gloves are highly recommended for all drivers.

DRIVING RULES

1. The two front windows shall be down on all cars when on course.
2. Passing is allowed in designated passing zones only and only with a point by from the slower driver being overtaken. Any car violating the no passing zones will be black-flagged and must report to the pit lane for consultation with the CT Chief Instructor or Chief Steward. Designated passing zones will be marked on course, and a map displaying the zones will be distributed at the mandatory drivers meeting.
 - Exception: Clearly disabled cars may be passed (with extreme care) at any location, if there is sufficient room. The driver of the disabled car should pull his vehicle offline, signal by raised hand, and exit the track as soon as possible. If unable to continue to the pits, the vehicle should be pulled off the track surface if possible.
5. The hot pits will be open during CT sessions. There is NO refueling in the hot pits at any time!
6. Any car which leaves the racing surface (i.e. spins off or drives off) must report immediately to the pit lane for consultation with the CT Chief Instructor or Chief Steward. Failure to do so will result in a black flag.
